

HOT DOG MACHINE BUYER'S GUIDE

Hot Dog Machine Buyer's Guide

Premium Commercial Grade Hot Dog Rollers:

Great Northern Popcorn Company has been manufacturing and selling top rated Commercial Grade Hot Dog Rollers for years. That experience, coupled with our stainless steel construction and restaurant quality cooking surfaces, have resulted in RAVE reviews. We have developed 5-roller models suitable for home use or small fundraisers, to our "no holds barred" 11-roller restaurant sized "Ultra Dawg" with cover, ready to keep up with the demand of the largest convenience store! Of course, all our machines are backed up with the exclusive GNP warranty!

So whether you are providing the treats for movie night, or running your own concession stand, Great Northern Popcorn Company has a solution for you. We look forward to partnering with you on your next project, whether it's an event for hundreds or just the next bowl for you.

POPCORN MACHINE BUYER'S GUIDE

Hot Dog Machine Buyer's Guide

All of Great Northern Popcorn Company's hot dog rollers feature stainless steel rollers and food zones and are powerful enough to keep up with the hungry demands of your customers. No waiting in long lines for stale dogs...our exclusive slow roller system is guaranteed to keep each dog fresh, plump and juicy until served. They're perfect for birthday parties, holiday cookouts, Super Bowl parties, mini-marts or just celebrating with family and friends. All machines carry a 1 year warranty. Choose a model with the capacity to keep up with your hot dog lovers!

Machine Specifications:

Grill w/Cover Dimensions: 19" L x 23" W x 16" H

Grill Dimensions: 19" L x 23" W x 6" H

Wattage: 2200 Watts

Weight: 44 Pounds

The **MAD DAWG** has a capacity of 24 hot dogs (8 Rows of 3), the same easy to clean non-stick stainless steel design as the **ULTRA DAWG**, and the same heavy duty motor and safety temperature control. Dual temperature controls allow for simultaneous grilling and warming and like all **DAWG** models, these machines have complete roller rotation.

Machine Specifications:

Grill w/Cover Dimensions: 16" L x 22" W x 16" H

Grill Dimension: 16" L x 22" W x 6" H

Wattage: 1800 Watts

Weight: 37 Pounds

4106 GNP 11 Roller with Cover

4094 GNP 11 Roller Machine (without cover)

We have created a masterpiece with our **ULTRA DAWG** Professional Hot Dog Machine. Get ready to make plump, juicy, hot dogs without the fizzle factor. Now you can make mouth-watering rotisserie style ballpark hot dogs in your home or business. Our ultimate machine has a capacity of 30 hot dogs (10 Rows of 3), an easy to clean non-stick stainless steel design, a heavy duty motor and safety temperature control. Roast on the front rollers while keeping others warm on the back. Complete with a removable and easy to clean stainless drip tray and non-skid feet.

POPCORN MACHINE BUYER'S GUIDE

Hot Dog Machine Buyer's Guide

- 4092 GNP 7 Roller with Cover
- 4078 GNP Hotdog 7 Roll Machine (without cover)
- 4088 GNP Hotdog 7 Roller Cover Only

Whether you are looking for a large, commercial sized hot dog roller, or something to make your party or celebration easier without going too big, Great Northern has the hot dog roller to fit your every need. Our 7-roller **TOP DAWG** machine is the best of both worlds, offering commercial quality with far less energy consumption and less waste for those smaller gatherings. It's everything you'd expect from a commercial machine in a smaller package!

Machine Specifications:

Grill w/Cover Dim: 13.5" L x 23" W x 15" H

Grill Dimension: 13.5" L x 23" W x 6" H

Wattage: 1400 Watts

Weight: 30 Pounds

- 4091 GAP 5 Roller with Cover
- 4090 GAP 5 Roller (without cover)
- 4089 GNP Hotdog 5 Roller Cover Only

The **BIG DAWG** has a capacity of 12 hot dogs (4 Rows of 3) and all the same great features that make the DAWG series one of our best sellers. Any roller in this series is available with or without a safety sneezeguard cover and even though this is the smallest DAWG in the kennel, it still has plenty of teeth, operating on 1000 watts.

Machine Specifications:

Grill w/Cover Dim: 10.5" L x 23" W x 11" H

Grill Dimension: 10.5" L x 23" W x 6" H

Wattage: 1000 Watts

Weight: 22 Pounds

4095 GAP Hotdog Roller

How many times have you cooked hot dogs on the grill only to watch them turn black or look like they were blown up from the inside out? With the GNP Professional Roller we guarantee perfect hot dogs every time. Watch those juicy franks plump as they slowly rotate along the rotisserie. The GNP is guaranteed to pay for itself in a few short days, not weeks like some other machines.

This is one of our best selling rollers with an 8 dog capacity, compact design and dependable GNP quality.

Machine Specifications:

Grill Dimension: 10" L x 17" W x 7" H

Wattage: 500 Watts

Weight: 13 Pounds
